In particular, Furla’s official Instagram account selects, at its discretion, Users’ posts (the “**Posts**”) that contain, purely by way of example, images, photographs, videos, sounds, music, texts, messages and works of any nature containing Furla products or tagging Furla (“**Content**”), deemed interesting for the Community.

Authorisation of Content use

Furla, by request in a comment on each Post, will ask the User for authorisation for the use of their Posts and the related Content deemed interesting for use in the Community and for Furla sales purposes.

Upon receiving the request, the User can authorise Furla to use their Content by responding with the hashtag #furlaok according to the instruction given by Furla in the Post’s comment.

By using the hashtag #furlaok, the User acknowledges and agrees with the Terms and Conditions, according to Furla’s direction, grants Furla the right to collect, process, use, store, transfer, and disclose (including, by way of example and not limited to, to copy, distribute, reproduce, give, use, modify, process, transform, store in a database, modify in any way, insert or replace comments and/or captions and/or disclose to third parties) the Content for the promotional and commercial purposes (described, in details, in the Privacy Notice below) and according to the advertising and/or sales means and choices that Furla deems appropriate, for the entire duration of the related rights, free of charge, non-exclusive and without territorial restrictions, as well as to combine/link Content to Content/Posts of other Users for the reasons listed above. If there are changes to these Terms and Conditions, Furla will notify the User of the changes which may materially affect the use of the User’s personal information.

User guarantees

The User declares to be 18 or over or, in any case, the minimum age set out by Instagram’s conditions of use, as well as the legitimate owner of the profile that had made the Posts and Content. The User declares that he/she has reviewed the Terms and Conditions with his/her parent or guardian, if required by any applicable laws and regulations of the country of residence.

The User declares that the Content is original and that it does not violate, even indirectly, any property or personal rights, namely copyright (moral or financial) or third-party intellectual property rights.

The User declares that possible other individuals involved in the Content or, in any case, the Post (e.g. in photographs of more than one person) have specifically consented to the use of their image, including their voice, for Furla’s above purposes.

The User, always subject to the potential automatic precautionary monitoring established by Instagram on posts with sensitive content, declares that the Content and related Post are not offensive and/or racist, do not incite hate and discrimination of any kind, are not harassing or threatening and are not in any way against public order or the common sense of decency.

FURLA

In any case, the User commits to indemnify, also judicially, Furla from any requests, disbursements, damages, claims, potential prejudice deriving from/connected to the falsity or inaccuracy of the aforementioned guarantees.

The Users' representations and warranties

The User declares to have understood and to accept that Furla only implements the re-sharing on the Community of a copy of the Content and related Post published by the User themselves on their own Instagram profile, and that each copy is freely shareable via Facebook, Instagram and Twitter and any other means of sharing, present or future, by third parties visiting the Community. It is further understood that the possible deletion of the Post and Content from the Community by Furla, for any reason, will not have any effect on the original Post and related Content of the User on their Instagram account, as well as other potential uses/copies carried out by third parties via the Community.

The User declares to have understood and to accept that Furla cannot prevent third parties from copying and/or altering and/or reproducing the Content and/or Post directly from the Community. Consequently, Furla cannot be held responsible for potential violations of any rights, either of the User and/or of third parties involved in the Content, or of other subjects, deriving, in any way, from their use and/or sharing of the Post and Content published on the Community.

In relation to the above, the User commits to indemnify, also judicially, Furla from any requests, disbursements, damages, claims, potential prejudice deriving from/connected to any use by third parties of the copy of the Content of and/or Post published by Furla on the Community.

The User commits to collaborate with Furla in reference to third-party claims in relation to the above, giving immediate notice without hesitation to Furla in the event that they become aware of it, giving their full cooperation in the defence.

The User agrees that by authorising Furla's use of the Content from the Post the User is not and will not be considered an employee, contractor, agent, representative, or spokesperson for Furla. The User shall not make any public comment stating or implying such status with Furla. The User shall not receive any compensation or other remuneration for the Content, directly or indirectly. The User shall cooperate with Furla by affirming, at Furla's request, that no benefit, direct or indirect, in cash or in kind, has been provided for use of the Content.

General instructions

If any of these terms and conditions should be, for any reason, considered invalid or ineffective and/or inapplicable, this will be separated and will not affect the validity of the terms and conditions as a whole.

Furla's failure to exercise any right in the terms and conditions disclosed will not be interpreted as a waiver and will in no way negate Furla's right to validate it at a later time.

These terms and conditions are applied and interpreted exclusively according to Italian law and all related disputes are at the exclusive jurisdiction of the Court of Milan.

In case of inconsistency between the Italian and/or English text and the text in other languages, the Italian version of the terms and conditions will prevail.

These terms and conditions constitute the full agreement between Furla and the User in relation to the user of Content and Posts, and override any potential previous intervening agreement between Furla and the User regarding the Content and Posts themselves.

In particolare, l'account Instagram ufficiale di Furla seleziona, a propria discrezione, i post degli Utenti (i "**Post**") che contengono, a mero titolo esemplificativo, immagini, fotografie, video, suoni, musiche, testi, scritti ed opere di qualsivoglia natura contenenti prodotti Furla o con il tag Furla ("**Contenuti**"), ritenuti interessanti per la Community.

Autorizzazione all'utilizzo dei Contenuti

Furla, tramite richiesta in apposito commento a ciascun Post, chiederà all'Utente l'autorizzazione a servirsi dei Post e dei relativi Contenuti ritenuti interessanti per la partecipazione alla Community e per finalità commerciali di Furla.

Una volta ricevuta la richiesta, l'Utente può autorizzare Furla ad utilizzare i Contenuti rispondendo con l'hashtag #furlaok secondo le istruzioni date da Furla nel commento al Post.

Utilizzando l'hashtag #furlaok nelle modalità previste da Furla, l'Utente riconosce e accetta i Termini e le Condizioni, secondo le direttive di Furla, concede a Furla il diritto di raccogliere, elaborare, utilizzare, conservare, trasferire e divulgare (incluso, a titolo esemplificativo e non esaustivo, copiare, distribuire, riprodurre, cedere, utilizzare, modificare, elaborare, trasformare, conservare in database, modificare in qualsiasi modo, inserire o sostituire commenti e/o didascalie e/o divulgare a terzi) i Contenuti per le finalità promozionali e commerciali (descritte, nel dettaglio, nella successiva Informativa sulla Privacy) e secondo le modalità e le scelte pubblicitarie e/o commerciali che Furla riterrà opportune, per tutta la durata dei relativi diritti, in forma gratuita, non esclusiva e senza limitazioni territoriali, nonché per combinare/collegare i Contenuti ai Contenuti/Post di altri Utenti per le ragioni sopra elencate. In caso di modifiche ai presenti Termini e Condizioni, Furla comunicherà all'Utente le modifiche che potrebbero incidere in maniera rilevante sull'utilizzo dei dati personali dell'Utente.

Garanzie dell'Utente

L'Utente dichiara di essere maggiorenne o, comunque, di avere l'età minima prevista dalle condizioni di Instagram per il suo utilizzo, oltre che di essere il legittimo titolare del profilo da cui ha effettuato i Post con i Contenuti. L'Utente dichiara di aver esaminato i Termini e le Condizioni con il proprio genitore o tutore, se richiesto dalle leggi e dai regolamenti applicabili nel paese di residenza.

L'Utente dichiara che il Contenuto è originale e che non viola, nemmeno indirettamente, alcun diritto patrimoniale o personale, ovvero diritto d'autore (morale o economico) o diritto di proprietà intellettuale di terzi.

L'Utente dichiara che eventuali altre persone fisiche coinvolte nel Contenuto o, comunque, nel Post (ad es., in fotografie che ritraggono più di una persona) hanno specificamente acconsentito all'utilizzo della loro immagine, ivi compresa la voce, per le finalità di Furla di cui sopra.

FURLA

L'Utente, fatti sempre salvi gli eventuali controlli preventivi automatici posti in essere da Instagram sui post a contenuto sensibile, dichiara che il Contenuto ed il relativo Post non sono offensivi e/o razzisti, non incitano all'odio ed alla discriminazione di qualsivoglia tipologia, non sono molesti o minacciosi e non sono in alcun modo contrari all'ordine pubblico ed al comune senso del pudore.

In ogni caso, l'Utente si impegna a manlevare e tenere indenne, anche processualmente, Furla da qualsiasi richiesta, esborso, danno, pretesa, pregiudizio eventualmente derivante da/connesso alla falsità od inesattezza delle proprie garanzie di cui sopra.

Responsabilità di Furla

L'Utente dichiara di aver compreso e di accettare che Furla effettua solamente la ri-condivisione sulla Community di una copia del Contenuto e del relativo Post pubblicato dall'Utente stesso sul proprio profilo Instagram e che tale copia è liberamente condivisibile tramite Facebook, Instagram e Twitter e qualsiasi altro mezzo di diffusione, presente o futuro, da parte di terzi che visitano la Community. Resta inoltre inteso che l'eventuale cancellazione del Post e del Contenuto dalla Community da parte di Furla, per qualsiasi ragione, non avrà alcun effetto sul Post e sui relativi Contenuti originali dell'Utente sul proprio account Instagram, oltre che su eventuali utilizzi/copie effettuati da terzi tramite la Community.

L'Utente dichiara di aver compreso e di accettare che Furla non può impedire che terzi copino e/o alterino e/o riproducano il Contenuto e/o il Post direttamente dalla Community. Pertanto, Furla non può essere ritenuta responsabile di eventuali violazioni di qualsivoglia diritto, sia dell'Utente e/o di terzi coinvolti nel Contenuto, ovvero di altri soggetti, derivante, in qualsiasi maniera, dal loro utilizzo e/o dalla condivisione di Post e Contenuti pubblicati sulla Community.

L'Utente non deve fare commenti pubblici che affermino o implichino tale relazione con Furla. L'Utente non riceverà alcun compenso o altra remunerazione per i Contenuti, direttamente o indirettamente. L'Utente collaborerà con Furla affermando, su richiesta di Furla, che non è stato corrisposto nessun compenso, diretto o indiretto, in denaro o in natura, per l'utilizzo dei Contenuti.

Disposizioni generali

Qualora uno qualsiasi dei presenti termini e condizioni dovesse per qualsivoglia ragione essere considerato nullo ovvero inefficace e/o inapplicabile, questo verrà separato e non pregiudicherà l'intera validità dei presenti termini e condizioni.

Il mancato esercizio da parte di Furla di qualsivoglia diritto previsto nei presenti termini e condizioni non dovrà essere interpretato come rinuncia allo stesso e non inficerà in alcun modo il diritto di Furla a farlo valere successivamente.

I presenti termini e condizioni sono applicati ed interpretati esclusivamente secondo la legge Italiana e tutte le controversie a ciò correlate sono di esclusiva competenza del Foro di Milano.

FURLA

In caso di discordanza tra il testo in italiano e quello in altra lingua dei presenti termini e condizioni, la versione in lingua italiana prevarrà.

I presenti termini e condizioni costituiscono l'intero accordo tra Furla e l'Utente in merito all'utilizzo dei Contenuti e dei Post e sostituiscono qualsiasi eventuale accordo precedentemente intercorso tra Furla e l'Utente in merito ai Contenuti ed i Post stessi.

Autorización de uso de los Contenidos

Furla, mediante un comentario específico en cualquier Publicación, solicitará al Usuario su autorización para utilizar las Publicaciones y los Contenidos relacionados que considere de interés para la participación en la Comunidad y para los fines comerciales de Furla.

Una vez recibida la solicitud, el Usuario podrá autorizar a Furla a usar los Contenidos respondiendo con el *hashtag* #furlaok según las instrucciones indicadas por Furla en el comentario de la Publicación.

Con el uso del hashtag #furlaok de la forma prevista por Furla, el Usuario reconoce y acepta los Términos y condiciones, según las directivas de Furla, concede a Furla el derecho a recoger, elaborar, utilizar, conservar, transferir y divulgar (incluso, a modo de ejemplo y no exhaustivo, copiar, distribuir, reproducir, ceder, utilizar, modificar, elaborar, transformar, guardar en la base de datos, realizar cualquier tipo de modificación, introducir o sustituir comentarios o notas a pie de foto o divulgar a terceros) los Contenidos para los fines promocionales y comerciales (descritos detalladamente en la siguiente nota informativa sobre la privacidad) y según la modalidad y las opciones publicitarias o comerciales que Furla considere pertinentes, por un tiempo equivalente a la duración total de los derechos asociados, de forma gratuita, no exclusiva y sin límites territoriales, además de para combinar o vincular los Contenidos a los Contenidos o las Publicaciones de otros Usuarios para los fines anteriormente mencionados. En caso de modificación de los presentes Términos y condiciones, Furla comunicará al Usuario las modificaciones que podrían repercutir de forma relevante en el uso de los datos personales del Usuario.

Garantías del Usuario

El Usuario declara ser mayor de edad o, en cualquier caso, tener la edad mínima prevista en las condiciones de Instagram para su utilización, además de ser el titular legítimo del perfil desde el cual ha realizado las Publicaciones con los Contenidos. El Usuario declara haber leído los Términos y condiciones en presencia de su padre, madre o tutor legal, en caso de que las leyes y los reglamentos vigentes en el país de residencia así lo requieran.

El Usuario declara que el Contenido es original y no infringe, ni siquiera indirectamente, ningún derecho patrimonial o personal, o derecho de autor (moral o económico) o derecho de propiedad intelectual de terceros.

El Usuario declara que otras posibles personas físicas involucradas en el Contenido o, en cualquier caso, en la Publicación (por ejemplo, fotografías con más de una persona) han dado su consentimiento específico para el uso de su imagen, incluida la voz, para los fines anteriormente mencionados.

FURLA

El Usuario, sin perjuicio de los posibles controles preventivos automáticos realizados por parte de Instagram sobre las publicaciones de contenido sensible, declara que el Contenido y la Publicación asociada no son ofensivos o racistas, no incitan al odio ni a la discriminación de ningún tipo, no son molestos o amenazadores y no son, de ningún modo, contrarios al orden público ni al decoro.

En cualquier caso, el Usuario se compromete a eximir, incluso procesalmente, a Furla de cualquier solicitud, gasto, perjuicio, abuso o daño que pueda derivarse de o asociarse a la falsedad o inexactitud de sus garantías anteriormente citadas.

Responsabilidad de Furla

El Usuario declara comprender y aceptar que Furla únicamente comparta en la Comunidad una copia del Contenido y de la Publicación asociada del Usuario en su perfil de Instagram, y que dicha copia puede compartirse libremente a través de Facebook, Instagram y Twitter, y cualquier otro canal de difusión, actual o futuro, por parte de terceros que visiten la Comunidad. Asimismo, se entiende que la posible cancelación de la Publicación y del Contenido en la Comunidad por parte de Furla, por cualquier motivo, no tendrá efecto alguno en la Publicación ni en los Contenidos asociados originales de la cuenta de Instagram del Usuario, ni tampoco en copias o usos que puedan realizar terceros a través de la Comunidad.

El Usuario declara entender y aceptar que Furla no puede impedir a terceros copiar, alterar ni reproducir el Contenido o la Publicación directamente desde la Comunidad. Por consiguiente, no se podrá considerar a Furla responsable de posibles infracciones de cualquier derecho, ya sea del Usuario, de terceros involucrados en el Contenido o de otros sujetos, originadas, de un modo u otro, por usar o compartir Publicaciones y Contenidos publicados en la Comunidad.

En relación con todo lo anterior, el Usuario se compromete a eximir, incluso procesalmente, a Furla de cualquier solicitud, gasto, perjuicio, abuso o daño que pueda derivarse de o asociarse a cualquier uso por parte de terceros de la copia de Contenidos o Publicaciones publicada por Furla en la Comunidad.

El Usuario se compromete a colaborar con Furla ante las demandas de terceros en relación con todo lo anterior, avisando rápidamente y sin demora a Furla, en caso de que se tuviera conocimiento de ello y ofreciendo completa colaboración en la defensa.

El Usuario reconoce que al autorizar a Furla a usar los Contenidos de la Publicación, el Usuario no es ni será considerado un empleado, contratista, agente, representante o portavoz de Furla. El Usuario no debe hacer comentarios en público que confirmen o impliquen dicha relación con Furla. El Usuario no recibirá ninguna compensación ni remuneración de ningún tipo por los Contenidos, ni directa ni indirectamente. A petición de Furla, el Usuario colaborará con Furla declarando que no ha recibido ninguna compensación, ni directa ni indirecta, en metálico o en especie, por el uso de los Contenidos.

Disposiciones generales

Cualquier derecho previsto en los presentes términos y condiciones que Furla no haya ejercido no deberá interpretarse como una renuncia a él y de ningún modo invalidará el derecho de Furla a ejercerlo en el futuro.

Los presentes términos y condiciones se aplican e interpretan exclusivamente conforme a la ley italiana y cualquier problema relacionado con ella es de competencia exclusiva del Foro di Milano.

FURLA

En caso de incongruencia de los presentes términos y condiciones entre el texto en italiano y en otro idioma, prevalecerá la versión en italiano.

CONDITIONS GÉNÉRALES – CONTENUS GÉNÉRÉS PAR LES UTILISATEURS

Furla S.p.A., société au siège social situé Via Bellaria 3/5, San Lazzaro di Savena (BO), en Italie, (« **Furla** ») est intéressée à ce que tous les utilisateurs d'Instagram (« **Utilisateur** ») participent à la communauté en ligne présente sur son site internet www.furla.com (la « **Communauté** »), et elle a décidé de réglementer cette dernière avec les conditions générales énoncées ci-après.

Plus particulièrement, le compte Instagram officiel de Furla sélectionne, à sa discréction, les publications des Utilisateurs (les « **Publications** ») contenant, par exemple, des images, des photos, des vidéos, des sons, des musiques, des textes, des écrits et des œuvres de quelque nature que ce soit comprenant des produits Furla ou des produits avec le tag Furla (« **Contenus** ») jugés intéressants pour la Communauté.

Autorisation pour l'utilisation des Contenus

Furla laissera un commentaire sur chaque Publication pour demander à l'Utilisateur la permission d'utiliser la Publication en question et les Contenus relatifs jugés intéressants pour la Communauté ou à des fins commerciales.

Une fois la demande reçue, l'Utilisateur peut autoriser Furla à utiliser les Contenus en répondant avec le hashtag #furlaok, conformément aux instructions fournies par Furla dans le commentaire.

En utilisant le hashtag #furlaok selon les modalités prévues par Furla, l'Utilisateur accepte les Conditions générales, conformément aux directives de Furla, et il concède à Furla le droit de recueillir, d'élaborer, d'utiliser, de conserver, de transférer et de divulguer (y compris, entre autres, de copier, de distribuer, de reproduire, de céder, d'utiliser, de modifier, de transformer, de conserver dans une base de données, de modifier d'une manière quelconque et d'insérer ou de remplacer des commentaires ou des descriptions) les Contenus à des fins promotionnelles et commerciales (décrisées en détail dans la Politique de confidentialité ci-après) et cela selon les modalités et les choix publicitaires ou commerciaux que Furla estimera opportuns, pour toute la durée des droits pertinents, de forme gratuite, non exclusive et sans limite territoriale, ainsi que pour relier les Contenus aux Contenus/Publications d'autres Utilisateurs aux fins énoncées ci-dessus. Au cas où les présentes Conditions générales seraient modifiées, Furla communiquera à l'Utilisateur les modifications susceptibles d'avoir un effet significatif sur l'utilisation de ses données personnelles.

Garanties de l'Utilisateur

L'Utilisateur déclare être majeur ou avoir l'âge minimum prévu dans les conditions d'utilisation d'Instagram, et il déclare être le titulaire légitime du profil depuis lequel il a posté les Publications avec les Contenus. Au cas où la législation applicable dans son pays de résidence l'exigerait, l'Utilisateur déclare avoir examiné les Conditions générales avec un parent ou son tuteur.

L'Utilisateur déclare que le Contenu est original et qu'il n'enfreint aucun droit patrimonial ou personnel comme droit d'auteur (moral ou économique) ou droit de propriété intellectuel de tiers, et ce même indirectement.

FURLA

L'Utilisateur déclare que les autres personnes physiques éventuellement impliquées dans le Contenu ou dans la Publication (par exemple : photos où figurent plusieurs personnes) ont donné leur consentement spécifique à l'utilisation de leur image, y compris de leur voix, pour servir les fins de Furla énoncées ci-dessus.

Sauf éventuels contrôles préventifs automatiques mis en place par Instagram sur les publications au contenu sensible, l'Utilisateur déclare que le Contenu et la Publication relative ne sont ni offensifs ni racistes, qu'ils n'incitent ni à la haine ni à une discrimination quelconque, qu'ils ne sont ni injurieux ni menaçants et qu'ils ne sont en aucune manière contraires à l'ordre public ou indécents.

Dans tous les cas, l'Utilisateur s'engage à exonérer et à dégager Furla de toute responsabilité, même judiciaire, en cas de plainte, de débours, de dommage, de réclamation ou de préjudice éventuellement lié à l'inexactitude de ses garanties citées ci-dessus.

Responsabilité de Furla

L'Utilisateur déclare avoir compris et accepté que Furla se contente de partager sur la page de la Communauté le Contenu et la Publication qu'il a postés sur son propre profil Instagram, et que cette copie peut être repartagée librement via Facebook, Instagram, Twitter ou tout autre moyen de diffusion, actuel ou futur, par des tiers visitant la Communauté. Il reste par ailleurs entendu que si, pour quelque raison que ce soit, Furla supprime la Publication et le Contenu de la Communauté, cela n'aura aucun effet sur la Publication et les Contenus originaux de l'Utilisateur sur son propre compte Instagram ni sur les éventuelles utilisations ou copies effectuées par des tiers via la Communauté.

L'Utilisateur déclare avoir compris et accepté que Furla ne peut pas empêcher les tiers de copier, d'altérer ou de reproduire le Contenu ou la Publication directement depuis la page de la Communauté. Par conséquent, Furla ne peut être tenue responsable au cas où l'utilisation ou le partage d'une Publication et de Contenus publiés sur la Communauté enfreindrait, même indirectement et de quelque manière que ce soit, un droit de l'Utilisateur ou des tiers impliqués dans le Contenu.

En relation à ce qui précède, l'Utilisateur s'engage à exonérer et à dégager Furla de toute responsabilité, même judiciaire, en cas de plainte, de débours, de dommage, de réclamation ou de préjudice éventuellement lié à une utilisation de la copie par des tiers des Contenus ou des Publications partagés par la société sur la page de la Communauté.

L'Utilisateur s'engage à collaborer avec Furla en ce qui concerne les revendications de tiers liées aux éléments cités ci-dessus, en les signalant sans délai à Furla dès qu'il en a connaissance et en collaborant pleinement avec la défense.

L'Utilisateur accepte le fait qu'autoriser Furla à utiliser les Contenus de sa Publication ne lui permettra pas d'être considéré comme un employé, un fournisseur, un agent, un représentant ou un porte-parole de Furla.

L'Utilisateur ne doit faire aucun commentaire public affirmant ou laissant supposer une telle relation entre lui-même et Furla. L'Utilisateur ne recevra aucune compensation ni aucune autre rémunération – directe ou indirecte – pour les Contenus. L'Utilisateur apportera sa collaboration à Furla en affirmant, sur demande de la part de la société, qu'aucune compensation, directe ou indirecte, en espèces ou en nature, ne lui a été versée pour l'utilisation des Contenus.

Dispositions générales

Au cas où l'une des présentes conditions générales serait, pour une raison quelconque, considérée nulle, inefficace ou inapplicable, elle sera réputée divisible et toutes les autres conditions resteront pleinement valides.

FURLA

Au cas où Furla ne ferait pas appliquer un droit prévu dans les présentes conditions générales, cela ne devra pas être interprété comme une renonciation au droit en question, et cela n'affectera pas la possibilité pour Furla de faire valoir ledit droit dans le futur.

Les présentes conditions générales sont régies et interprétées exclusivement selon la loi italienne, et tous les litiges s'y rapportant relèvent de la compétence exclusive des tribunaux de Milan.

En cas de discordance entre les présentes conditions générales en italien et leur traduction dans une autre langue, c'est la version italienne qui prévaudra.

Les présentes conditions générales constituent l'intégralité de l'accord entre Furla et l'Utilisateur quant à l'utilisation des Contenus et des Publications, et elles remplacent tout accord éventuellement stipulé auparavant entre Furla et l'Utilisateur en ce qui concerne lesdits Contenus et Publications.

FURLA

POLITIQUE DE TRAITEMENT DES DONNÉES PERSONNELLES – CONTENUS GÉNÉRÉS PAR LES UTILISATEURS

La présente politique décrit la façon dont Furla S.p.A., société au siège social situé Via Bellaria 3/5, San Lazzaro di Savena (BO), en Italie, (« **Furla** ») recueille et traite vos données personnelles en tant que Responsable du Traitement et conformément au Règlement général (UE) sur la protection des données n° 679/2016 (« **RGPD** ») ainsi qu'à toute autre loi applicable en matière de confidentialité (y compris le *Privacy Act 1988* (CTH) australien et le Personal Data Protection Act 2010 (PDPA), ci-après désignées de façon collective par le terme « **Lois sur la protection des données** »), à des fins promotionnelles et commerciales, et pour favoriser la participation des utilisateurs à la communauté en ligne sur le site internet officiel de Furla (la « **Communauté** »).

Catégories de Données personnelles traitées

Furla souhaite que les utilisateurs d'Instagram qui publient, par exemple, des images, des photos, des vidéos, des sons, des musiques, des textes, des écrits et des œuvres de quelque nature que ce soit contenant des produits Furla ou qui taguent Furla (la « **Publication** ») participent à la Communauté.

Si vous utilisez Instagram et que vous postez sur votre profil une Publication contenant des produits Furla ou bien un tag ou un hashtag faisant référence à Furla, le profil officiel de Furla pourrait commenter la Publication et vous demander d'utiliser le hashtag #furlaok afin d'autoriser le partage de votre Publication sur la page de la Communauté.

Si vous donnez votre consentement en utilisant le hashtag #furlaok (et seulement dans ce cas), Furla traitera les données personnelles présentes dans la Publication qu'elle a sélectionnée (les « **Données personnelles** ») : 1) nom du compte Instagram ; 2) image personnelle (y compris la voix), aussi bien individuellement qu'avec l'image des autres personnes apparaissant dans la Publication ; 3) toute donnée ou information supplémentaire présente dans la description de votre Publication.

Nous vous rappelons que, au cas où votre publication contiendrait aussi des Données personnelles d'autres personnes (par exemple : photos de groupe, tags d'autres utilisateurs, etc.), Furla traitera également les données personnelles des tiers qui apparaissent dans la Publication. Dans ce cas, Furla considérera que vous avez transmis toutes les informations ici présentes auxdits tiers. À cet effet, vous vous engagez à fournir auxdits tiers le lien redirigeant vers le présent document ou à partager ce dernier avec eux par tout autre moyen (par exemple, en visitant la section prévue à cet effet sur le site officiel de Furla www.furla.com), et ce dans les plus brefs délais.

Toutes les Données personnelles sont recueillies et traitées par Furla pour vous permettre de participer aux interactions entre Furla, ses clients et les admirateurs de la marque. Furla recueille également les Données personnelles à des fins générales de marketing, de publicité, de promotion et de notoriété de la marque.

Modalités de traitement des Données personnelles

Une fois les Données personnelles recueillies, Furla utilisera la plateforme en ligne « Livestory » pour partager votre Publication sur la page de la Communauté, où cette dernière sera visible au public et pourra être repartagée via Instagram, Facebook, Twitter ou tout autre moyen de diffusion, actuel ou futur.

Nous vous rappelons qu'en traitant vos Données Personnelles, Furla ne devient pas propriétaire de votre Publication originale mais en publie seulement une « copie » sur la page de la Communauté. Par conséquent, Furla contrôle exclusivement le contenu de cette « copie » de votre Publication partagée sur la page de la Communauté via la plateforme en ligne « Livestory », et la société ne peut en aucune façon altérer la publication originale sur votre compte ou les éventuelles copies partagées par des tiers. De la même façon, lorsque votre

FURLA

Publication partagée par Furla sera repartagée par des tiers, cela n'aura aucun effet sur la Publication originale que vous avez postée sur votre profil Instagram.

Base légale du traitement des données

Vos Données personnelles seront recueillies et traitées sur la base de votre consentement expresse au partage et au maintien en ligne d'une copie de votre Publication par Furla sur la page de la Communauté. Vous pourrez donner ce consentement en utilisant le hashtag #furlaok une fois que Furla vous l'aura demandé dans un commentaire sur votre Publication depuis son profil Instagram officiel.

Nature obligatoire/facultative de la fourniture des Données personnelles et conséquence en cas de non-communication de ces dernières

[La communication de vos Données personnelles est facultative. Si vous ne les communiquez pas, Furla ne pourra pas partager votre Publication sur la page de la Communauté.](#)

Vous pourrez, à tout moment, informer Furla que vous souhaitez que la copie de votre Publication soit retirée de la page de la Communauté en envoyant un e-mail à : privacy@furla.com. Tout comme la suppression de votre Publication une fois le délai de repartage maximal écoulé ou avant sur décision de Furla, cela n'aura aucun effet sur la Publication originale postée sur votre profil Instagram.

Comment protégeons-nous vos Données personnelles ?

Vos Données personnelles seront traitées d'une façon correcte, licite et transparente, en protégeant votre confidentialité et vos droits. Furla prendra toutes les mesures raisonnables pour garantir que vos Données personnelles soient conservées en sécurité, qu'elles soient utilisées exclusivement aux fins énoncées dans la présente politique de confidentialité et qu'elles puissent être consultées ou corrigées à votre demande.

Furla adopte des mesures organisationnelles, techniques et administratives adaptées pour se protéger contre la perte, l'usage inapproprié et l'altération des Données personnelles qu'elle contrôle, conformément aux dispositions de l'art. 32 du RGPD.

Délai de conservation de vos Données personnelles

Vos Données personnelles recueillies avec votre consentement pour être partagées sur la page de la Communauté seront conservées pendant un délai maximal d'un an à partir de la date à laquelle vous les avez fournies, après quoi elles seront détruites, rendues inutilisables ou anonymisées.

Éventuels destinataires de vos Données personnelles

Vos Données personnelles seront traitées, aussi bien au format électronique qu'au format papier, par des personnes dûment formées et désignées par écrit par Furla comme responsables du traitement pour le partage et le maintien en ligne des Publications. Elles pourront être partagées avec le gestionnaire de la plateforme « Livestory » pour le chargement des Publications sur la page de la Communauté, le tout dans les limites strictement nécessaires pour atteindre les fins énoncées ci-dessus et dans le respect des mesures de sécurité prévues par le RGPD.

In particular, Furla’s official Instagram account selects, at its discretion, Users’ posts (the “**Posts**”) that contain, purely by way of example, images, photographs, videos, sounds, music, texts, messages and works of any nature containing Furla products or tagging Furla (“**Content**”), deemed interesting for the Community.

Authorisation of Content use

Furla, by request in a comment on each Post, will ask the User for authorisation for the use of their Posts and the related Content deemed interesting for use in the Community and for Furla sales purposes.

Upon receiving the request, the User can authorise Furla to use their Content by responding with the hashtag #furlaok according to the instruction given by Furla in the Post’s comment.

By using the hashtag #furlaok, the User acknowledges and agrees with the Terms and Conditions, according to Furla’s direction, grants Furla the right to collect, process, use, store, transfer, and disclose (including, by way of example and not limited to, to copy, distribute, reproduce, give, use, modify, process, transform, store in a database, modify in any way, insert or replace comments and/or captions and/or disclose to third parties) the Content for the promotional and commercial purposes (described, in details, in the Privacy Notice below) and according to the advertising and/or sales means and choices that Furla deems appropriate, for the entire duration of the related rights, free of charge, non-exclusive and without territorial restrictions, as well as to combine/link Content to Content/Posts of other Users for the reasons listed above. If there are changes to these Terms and Conditions, Furla will notify the User of the changes which may materially affect the use of the User’s personal information.

User guarantees

The User declares to be 18 or over or, in any case, the minimum age set out by Instagram’s conditions of use, as well as the legitimate owner of the profile that had made the Posts and Content. The User declares that he/she has reviewed the Terms and Conditions with his/her parent or guardian, if required by any applicable laws and regulations of the country of residence.

The User declares that the Content is original and that it does not violate, even indirectly, any property or personal rights, namely copyright (moral or financial) or third-party intellectual property rights.

The User declares that possible other individuals involved in the Content or, in any case, the Post (e.g. in photographs of more than one person) have specifically consented to the use of their image, including their voice, for Furla’s above purposes.

The User, always subject to the potential automatic precautionary monitoring established by Instagram on posts with sensitive content, declares that the Content and related Post are not offensive and/or racist, do not incite hate and discrimination of any kind, are not harassing or threatening and are not in any way against public order or the common sense of decency.

FURLA

In any case, the User commits to indemnify, also judicially, Furla from any requests, disbursements, damages, claims, potential prejudice deriving from/connected to the falsity or inaccuracy of the aforementioned guarantees.

The Users' representations and warranties

The User declares to have understood and to accept that Furla only implements the re-sharing on the Community of a copy of the Content and related Post published by the User themselves on their own Instagram profile, and that each copy is freely shareable via Facebook, Instagram and Twitter and any other means of sharing, present or future, by third parties visiting the Community. It is further understood that the possible deletion of the Post and Content from the Community by Furla, for any reason, will not have any effect on the original Post and related Content of the User on their Instagram account, as well as other potential uses/copies carried out by third parties via the Community.

The User declares to have understood and to accept that Furla cannot prevent third parties from copying and/or altering and/or reproducing the Content and/or Post directly from the Community. Consequently, Furla cannot be held responsible for potential violations of any rights, either of the User and/or of third parties involved in the Content, or of other subjects, deriving, in any way, from their use and/or sharing of the Post and Content published on the Community.

In relation to the above, the User commits to indemnify, also judicially, Furla from any requests, disbursements, damages, claims, potential prejudice deriving from/connected to any use by third parties of the copy of the Content of and/or Post published by Furla on the Community.

The User commits to collaborate with Furla in reference to third-party claims in relation to the above, giving immediate notice without hesitation to Furla in the event that they become aware of it, giving their full cooperation in the defence.

The User agrees that by authorising Furla's use of the Content from the Post the User is not and will not be considered an employee, contractor, agent, representative, or spokesperson for Furla. The User shall not make any public comment stating or implying such status with Furla. The User shall not receive any compensation or other remuneration for the Content, directly or indirectly. The User shall cooperate with Furla by affirming, at Furla's request, that no benefit, direct or indirect, in cash or in kind, has been provided for use of the Content.

General instructions

If any of these terms and conditions should be, for any reason, considered invalid or ineffective and/or inapplicable, this will be separated and will not affect the validity of the terms and conditions as a whole.

Furla's failure to exercise any right in the terms and conditions disclosed will not be interpreted as a waiver and will in no way negate Furla's right to validate it at a later time.

These terms and conditions are applied and interpreted exclusively according to Italian law and all related disputes are at the exclusive jurisdiction of the Court of Milan.

In case of inconsistency between the Italian and/or English text and the text in other languages, the Italian version of the terms and conditions will prevail.

These terms and conditions constitute the full agreement between Furla and the User in relation to the user of Content and Posts, and override any potential previous intervening agreement between Furla and the User regarding the Content and Posts themselves.

TERMS AND CONDITIONS – USER-GENERATED CONTENT

Furla S.p.A., with registered office in Via Bellaria 3/5, San Lazzaro di Savena (BO) (“**Furla**”) is interested in the participation of all Instagram users (the “**User**”) in the online community on their website www.furla.com (the “**Community**”) and has decided to regulate it via the following terms and conditions reported here.

In particular, Furla’s official Instagram account selects, at its discretion, Users’ posts (the “**Posts**”) that contain, purely by way of example, images, photographs, videos, sounds, music, texts, messages and works of any nature containing Furla products or tagging Furla (“**Content**”), deemed interesting for the Community.

Authorisation of Content use

Furla, by request in a comment on each Post, will ask the User for authorisation for the use of their Posts and the related Content deemed interesting for use in the Community and for Furla sales purposes.

Upon receiving the request, the User can authorise Furla to use their Content by responding with the hashtag #furlaok according to the instruction given by Furla in the Post’s comment.

By using the hashtag #furlaok, the User acknowledges and agrees with the Terms and Conditions, according to Furla’s direction, grants Furla the right to collect, process, use, store, transfer, and disclose (including, by way of example and not limited to, to copy, distribute, reproduce, give, use, modify, process, transform, store in a database, modify in any way, insert or replace comments and/or captions and/or disclose to third parties) the Content for the promotional and commercial purposes (described, in details, in the Privacy Notice below) and according to the advertising and/or sales means and choices that Furla deems appropriate, for the entire duration of the related rights, free of charge, non-exclusive and without territorial restrictions, as well as to combine/link Content to Content/Posts of other Users for the reasons listed above. If there are changes to these Terms and Conditions, Furla will notify the User of the changes which may materially affect the use of the User’s personal information.

User guarantees

The User declares to be 18 or over or, in any case, the minimum age set out by Instagram’s conditions of use, as well as the legitimate owner of the profile that had made the Posts and Content. The User declares that he/she has reviewed the Terms and Conditions with his/her parent or guardian, if required by any applicable laws and regulations of the country of residence.

The User declares that the Content is original and that it does not violate, even indirectly, any property or personal rights, namely copyright (moral or financial) or third-party intellectual property rights.

The User declares that possible other individuals involved in the Content or, in any case, the Post (e.g. in photographs of more than one person) have specifically consented to the use of their image, including their voice, for Furla’s above purposes.

The User, always subject to the potential automatic precautionary monitoring established by Instagram on posts with sensitive content, declares that the Content and related Post are not offensive and/or racist, do not incite hate and discrimination of any kind, are not harassing or threatening and are not in any way against public order or the common sense of decency.

FURLA

In any case, the User commits to indemnify, also judicially, Furla from any requests, disbursements, damages, claims, potential prejudice deriving from/connected to the falsity or inaccuracy of the aforementioned guarantees.

The Users' representations and warranties

The User declares to have understood and to accept that Furla only implements the re-sharing on the Community of a copy of the Content and related Post published by the User themselves on their own Instagram profile, and that each copy is freely shareable via Facebook, Instagram and Twitter and any other means of sharing, present or future, by third parties visiting the Community. It is further understood that the possible deletion of the Post and Content from the Community by Furla, for any reason, will not have any effect on the original Post and related Content of the User on their Instagram account, as well as other potential uses/copies carried out by third parties via the Community.

The User declares to have understood and to accept that Furla cannot prevent third parties from copying and/or altering and/or reproducing the Content and/or Post directly from the Community. Consequently, Furla cannot be held responsible for potential violations of any rights, either of the User and/or of third parties involved in the Content, or of other subjects, deriving, in any way, from their use and/or sharing of the Post and Content published on the Community.

In relation to the above, the User commits to indemnify, also judicially, Furla from any requests, disbursements, damages, claims, potential prejudice deriving from/connected to any use by third parties of the copy of the Content of and/or Post published by Furla on the Community.

The User commits to collaborate with Furla in reference to third-party claims in relation to the above, giving immediate notice without hesitation to Furla in the event that they become aware of it, giving their full cooperation in the defence.

The User agrees that by authorising Furla's use of the Content from the Post the User is not and will not be considered an employee, contractor, agent, representative, or spokesperson for Furla. The User shall not make any public comment stating or implying such status with Furla. The User shall not receive any compensation or other remuneration for the Content, directly or indirectly. The User shall cooperate with Furla by affirming, at Furla's request, that no benefit, direct or indirect, in cash or in kind, has been provided for use of the Content.

General instructions

If any of these terms and conditions should be, for any reason, considered invalid or ineffective and/or inapplicable, this will be separated and will not affect the validity of the terms and conditions as a whole.

Furla's failure to exercise any right in the terms and conditions disclosed will not be interpreted as a waiver and will in no way negate Furla's right to validate it at a later time.

These terms and conditions are applied and interpreted exclusively according to Italian law and all related disputes are at the exclusive jurisdiction of the Court of Milan.

In case of inconsistency between the Italian and/or English text and the text in other languages, the Italian version of the terms and conditions will prevail.

These terms and conditions constitute the full agreement between Furla and the User in relation to the user of Content and Posts, and override any potential previous intervening agreement between Furla and the User regarding the Content and Posts themselves.
